

# FIS 2008

16.00 – 17.00 WEDNESDAY 3 DECEMBER

---

## **WORKSHOP: Implementing a quality improvement agenda**

---

**Date/time:**

Wednesday 3 December 16.00-17.00hrs

**Host:**

BSAC & IHI

---

**Aim & learning objectives:**

Aims:           To give overview of National context (Campaigns etc)  
                  To show example of success at ward level ('real life')  
                  To help people do what they have to do  
                  To help people see a way of moving from paper guidelines to action

Objective:       To leave delegates with a sense of what they can do on return home to  
                  move forward quality improvement in their ward / hospital / locality

---

**Format: & speakers:**

One-third each didactic lecture- context and overview of QI; examples from front line; discussion.

**Presentations:**

Three presentations Jonathon Gray; Eleri Davies (tbc); Julie Ward-Jones (tbc)

**Proposed audience:**

All delegates interested and involved in quality improvement.
